

On behalf of Polish President Bronisław Komorowski, I would like to thank you for inviting him to assume honorary patronage over the fourth Warsaw-CEE Financial Hub Conference in Warsaw.

The President recognizes the importance of the fourth Warsaw-CEE Financial Hub conference, which Warsaw Voice SA is organizing together with the Treasury Ministry, the Warsaw Stock Exchange and the International Herald Tribune newspaper. Thanks to lectures, panel discussions and speeches from numerous guests, your conference will present an excellent opportunity to highlight the merits of the Warsaw investment market and discuss the prospects for the further development of the capital as Poland's financial center.

I am pleased to advise you that in acknowledgment of the importance of the topics discussed during the conference, the President has decided to assume honorary patronage over the event.

Please convey my best wishes to all individuals and institutions involved in the preparation and organization of the Warsaw-CEE Financial Hub conference.

Jacek Michałowski,
